

CSR contribution towards Infrastructure development

In the month of October 2023, Orbis Financial Corporation Ltd. extended their generosity by making a valuable contribution to a village school- Sri Arvind Bal Vidya Mandir, in Madhya Pradesh; sponsoring the construction of a cycle stand. This philanthropic endeavour not only facilitates the students' eco-friendly commute from their homes to school but also actively promotes environmental conservation.

What makes this initiative truly remarkable is the collaborative spirit demonstrated by the teachers and students of the school. They selflessly contributed their time and effort to clear the ground and lay the foundation for the cycle stand, underscoring their ownership of the project and their shared enthusiasm for the cause.

With the newly constructed cycle stand in place, the children's bicycles are now sheltered from the elements, protected from rain and sun damage, and secure from potential theft. This added convenience empowers students to confidently lock their cycles in the stand, allowing them to focus on their studies without the burden of worry.

The school, representing both its dedicated teachers and motivated students, has expressed their heartfelt gratitude to Orbis Financial Corporation Ltd. for its unwavering support. This charitable act has not only made an immediate impact on the students' lives but also contributes to a sustainable and greener environment. Orbis Financial Corporation Ltd. remains committed to this cause, steadfastly working towards the continued betterment of our planet.
