

Education for All

In November 2023, Orbis Financial Corporation Limited contributed CSR funds to Vidya school in Gurgaon. The funds will be used for teaching aids and infrastructural development.

Vidya school was Inaugurated in November 2009, in Gurgaon, Haryana, in Delhi NCR. It is a English medium CBSE school for underprivileged children. It has advanced classrooms, excellent sports facilities, a large library, science labs and language labs. The quality of education at Vidya and facilities are on par with some of the best public schools in the city. The vision is for the school to provide 1000+ less-privileged children with a high-quality education, and the best infrastructure and facilities.

The school has expressed heartfelt gratitude to Orbis Financial Corporation Limited for the contribution.
